Tim: Team Leader
Julian:Tech Expert
Elbi:Chief of Communications
INT. HQ- DAY
Tim and julian are talking in HQ
Elbi runs in with a bag and interrupts Julian and Tims break.

ELBI
Guys i just came back from
vacation and look what I found.
Elbi dumps the bag on the table and a Crystal Balls falls out.

Check it out

Julian
Pfft. Whatever, it's just a crystal ball.

Tim
Actually it looks cool.

Tim reaches out and grabs the ball. He gets flashes of strange imagery. Spooky. When he returns to reality his friends look at him with confusion

Elbi
Something wrong Tim?

Tim looks around unsure of where he is.

TIM
Um.. nothing. Hey, we better get to work.
Elbi shrugs, leaving the ball.
INT. Hallway- day, the next day

Paranormal activity ensues with a slight satanic tinge. A ghost floats past the camera.
Our protagonists are just catching their breath as screams and chaos echo through the school.

ELBI

Sounds like the girl’s restroom has a ghost again.

TIM

That’s four times this week.

Julian

Something seems to have spiked this.

Julian and Tim turn to look at Elbi, screams can be faintly heard in the background.

Tim

Where did you go on vacation again Elbi?

Elbi

Poland, it was great.

Julian

And...didn’t you get something from there?

Elbi seems to have figured out what they are getting into.

Elbi

The ball! We gotta get to HQ!

TIM

Let’s go.

INT. HQ-The lighting flickers

The ball vibrates to the flicker of the lights.

Elbi:

Ok, what do we do?

Tim

Julian! Get on the computer. We need to know what we’re dealing with.

Julian spins into the chair and frantically starts typing. Elbi and Tim pace anxiously.

Julian

Ok.yeah yeah yeah...poland. 1945 there was a massacre in Aden. According to folklore the souls of those killed were trapped in a crystal ball by a mad witch.

Elbi

Ok...how should we get rid of it?

Tim

Salt water! It always gets rid of ghosts.

Julian

Oh course. The ocean has a lot of salt.

Elbi

Let’s go!

EXT-Ocean scene (green screen)

Our heroes stand together facing the ocean as the wind blows. Elbi holds the ball in his hand.

Elbi

This was such a cool souvenir too.

Tim

You’ve gotta give it up.

Julian

Yeah, no matter how cool that ball was.

Elbi smiles looking at the ball then throws it into the salty ocean.

END-Roll credits and end music
